

OpenSFS Update & Annual Member Meeting

OpenSFS Supporters

OpenSFS and the Lustre Community

- OpenSFS facilitates a community around Lustre
 - Organization for both Vendors (Participants) and Users (Members) to discuss features and directions
- Promote Lustre and the Lustre community
 - Ensure Lustre remains vendor-neutral, open, and freely downloadable
- Organize the Lustre Users Group conference
- Does Not
 - Fund Lustre development

- OpenSFS 1.0 helped with the maturation of Lustre by funding both new features and efforts to eradicate technical debt
- OpenSFS manages lustre.org and runs community events like LUG
 - Vibrant active community, lots of ways to be involved
- Oracle open source
